

Handleiding | Manual | Anleitung NEXT MULTI DOWNLIGHT RING

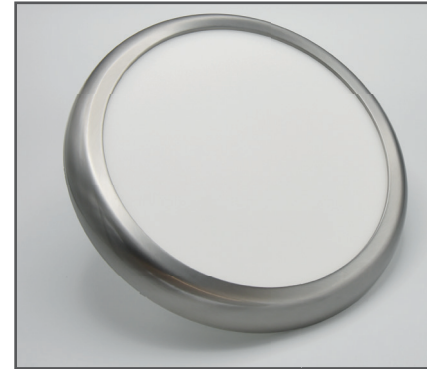

KOOPMANINTERLIGHT.NL

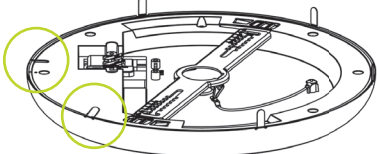

1

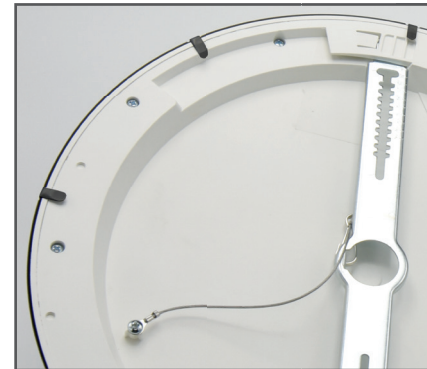

-  Plaats de Next Multi Downlight in de ring zoals op de afbeelding.
-  Install the Next Multi Downlight into the metal ring, as shown in the picture.
-  Installieren Sie das Next Multi Downlight in den Metallring, wie in der Abbildung gezeigt.

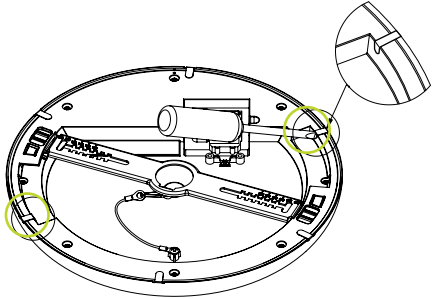

2

-  Zo ziet het eruit na het plaatsen van de Next Multi Downlight in de ring. Buig de clips van de ring om, zodat deze zich vastklemmen.
-  This picture shows how it looks after the Next Multi Downlight is installed into the ring. Bend the clips of the ring, making them lock.
-  Dieses Bild zeigt wie es aussieht, nachdem das Next Multi Downlight im Ring eingebaut ist. Biegen Sie die Klammer vom Ring, so dass sie geklemmt werden.

3

-  De twee metalen clips die corresponderen met de gleuven moeten worden omgebogen met gereedschap.
-  The two metal clips, corresponding to the slots should be bent with tools.
-  Die zwei Metallklammer die den Aussparungen entsprechen, sollten mit Werkzeug umgebogen werden.
